Nursing & Rehabilitation

We Love, We Care, We Make a Difference

Dear Vida Encantada Residents and Family:

Hello, hope this note finds you doing well. As we continue with the implementation of "No Visitors" into our Facility. We would like to show a gesture of appreciation to our staff and residence as this has been a difficult time for all of us. We are inviting families and friends to join us once a month for our mobile parade as it was a huge success. We the staff as well as the residents enjoyed seeing you all. We will be holding the parade every **3rd Friday of the month 10:00AM, JULY 17th**. Parade will take place between Legion and Mountain View on Collins Drive. To make this a fun and memorable time we encourage that you decorate your vehicle, this will also give you a chance to see your loved ones from a distance and wave to them. Las Vegas City Police and Fire Department will be assisting us with blocking the street and assist us with making sure that staff and residents are 6 ft apart. For more information or to RSVP please contact Angela Rivera, Activities Director at 505-425-9362 EXT 16 as soon as possible.

Thank you,

Angela Rivera, Activities Director

Angela Rivera, Activity Director

Letter from the Administrator:

Dear Vida Encantada Family:

Hi there! I just wanted to let you all know that we appreciate you and give you the latest information. We still remain free of Covid-19 in our facility! Thanks to the ever vigilant staff, your loved one is safe! In June, we will have another mobile parade to look forward to. It was an awesome event and much needed for the emotional support of the residents. We have a new Facebook page Vida Encantada Nursing and you can see all the events and things we are doing. I will be sending a weekly letter to keep residents and resident's representatives informed of any changes and also the facility's Covid19 status. Thank you for all your prayers and support!

Respectfully,

Kimberly Vigil, NHA
